

## -ANIMAL INFORMATION-

Animal ID: A1328459 HC Name: Marshmallow

**Species**: Dog **Est. DOB**: 07/19/2024

Est. Age: 9M Gender: SF

Breed: Golden Retr

Color: Buff Tag #:

Microchip #: Homeagain 985113009313284

Home Again Ph#: (866) PET-ID24

(866) 738-4324

Be sure to keep your microchip registration information up to date by calling Home Again or

going to www.homeagain.com.

## Marshmallow has received the following veterinary services at Humane Colorado:

Date	Visit No	Visit Type	Wt	Treatment	Medication	Dose	Qty	Cycle	Days
Sat 04/26/2025	T25-181120	Exam	0.00						
	<u>Notes</u>								
	No running, jumping, playing, swimming or any other strenuous activity for 10-14 days post surgery. Keep the animal quiet. Animals								
	must be kept indoors where they can stay clean, dry and warm. No baths during the recovery period.								
	There are no external sutures in your pet's incision; the internal sutures will dissolve on their own.								
	Check the incision site twice daily. Do not allow the pet to lick and chew at the incision site. If this occurs, an e-collar should be applied								
	to prevent additional licking and chewing that could cause an infection. The incision site should be clean and dry (do not apply anything								
	to the incision). If you see redness, heat, swelling, discharge, or notice a foul odor, please contact the shelter for follow up care at 303-751-5772, option 4, as soon as possible.								
	A small superficial skin incision was made and a green tattoo applied to demarcate patient has been sterilized.
